## Payment of Bill – Automatic Checking Account Withdrawal

I authorize the Bangor Water District to withdraw from my account as listed below for payment of my water/sewer bill(s), and confirm that I am the customer of record for the listed account(s).

**I understand that I will continue to receive a water/sewer bill for my records, and that the bill will not be marked paid.** Withdrawal for payment of my water/sewer bill will be up to two business days before or up to two business days after the due date shown on the bill. Payment will be for both water and sewer, and for the full amount outstanding (including late charges) on the day of withdrawal.

I can suspend payment of a bill by notifying the Bangor Water District in writing at least three business days prior to the scheduled payment date. I understand that two suspensions in any 12-month period will result in revocation of my participation.

Transactions refused will be automatically presented for payment a second time; the customer will be notified and expected to pay by other means if the item is refused again. Two denied transactions will result in revocation of this privilege.

This authorization will remain valid until revoked in writing by myself, my financial institution, or the Bangor Water District/City of Bangor Wastewater Department. I understand that this direct payment program is an alternative method of payment only, and does not otherwise affect my rights or the rights of Bangor Water District, the City of Bangor wastewater department, or my financial institution.
